

The Vivante™ experience makes every day a great day to turn up the volume on life, and the new Moxi™ V-RS will take you to the heart of the conversation in style. Sleek and innovatively designed, Moxi V-RS adds even more flair to the debonair, more confidence to the classy. No matter the path you choose to take, you can enjoy the good life brought right to your ears.

Moxi V-RS hearing aids feature an award-winning design that's far from traditional. It is a fusion of style and function that enables you to engage in conversations with confidence. You can easily personalise your hearing experience with the convenient Remote Plus app, and stay connected across all your devices with Made For All compatibility.

Welcome to the *Vivante™* experience

TURN UP THE DIAL ON **hearing in style**

Moxi V-RS hearing aids are designed to match your forward-thinking attitude with cutting-edge technology built in. They automatically adjust to keep up with your lifestyle so you can engage in more listening moments, even in conversations in loud noise.

LOOK AS SHARP **as you hear**

Moxi V-RS features a slender, contoured shape with individual left and right-side hearing aids designed for your comfort. You'll also enjoy convenient rechargeability with a sleek and compact charging case featuring a magnetic catch.

COLOR IS PERSONAL, **have your pick**

A Sonova brand

unitron Love the experience

Enjoy a truly personalised hearing experience using the Remote Plus app

You can opt to boost speech or listening comfort, and select and customise pre-set programs designed for your lifestyle. Find day-to-day management and maintenance easier with app-based coaching. Stay connected to your hearing care professional using real-time Ratings and comments that alert them to your successes and struggles. Your hearing care professional can also make adjustments remotely to further fit your lifestyle. Enjoy the sounds of the good life how you want, when you want.

Download the Remote Plus app now:

Make your hearing care journey uniquely your own

Life is about connections. With Made For All compatibility, you can conveniently stream phone calls and other media like music, podcasts and digital assistants right to your hearing aids, easily controlling them with just a tap. Plus, you can seamlessly switch between two actively connected Bluetooth® devices.

Optional accessories:

- Stream your favorite media wirelessly in stereo sound with the TV Connector.
- PartnerMic is an easy-to-use lapel microphone ideal for one-on-one conversations.
- Discreetly adjust volume and switch programs with the Remote Control.

Roger Select™

Roger On™

Need more help in challenging listening situations like meetings or conversations in noise or over distance? Let's discuss if a Roger™ device could be a good fit for you.

Explore the technology levels

Moxi V-RS offers a range of different technology levels, and we'll work together to choose the one that best matches your listening lifestyle and needs.

Level 9 ★★★★★	Level 7 ★★★★	Level 5 ★★★	Level 3 ★★
8 environments	6 environments	4 environments	2 environments
Conversation in quiet	Conversation in quiet	Conversation in quiet	Conversation in quiet
Conversation in noise	Conversation in noise	Conversation in noise	Conversation in noise
Quiet	Quiet	Quiet	
Noise	Noise	Noise	
Conversation in a small group	Conversation in a small group		
Music	Music		
Conversation in a crowd			
Conversation in loud noise			

Try before you buy

Not sure if hearing aids are right for you? With FLEX:TRIAL™ you can experience the benefits of amplification before committing to a purchase with no risk or obligation. By trying your hearing aids where you live, work, and play, you will gain peace of mind that you have the right hearing aid for you.

Keep your options open

We can fit you with a comfortable and affordable solution that meets your needs today, along with the peace of mind that you can upgrade technology levels at any time if your listening needs change. With FLEX:UPGRADE™, you simply pay an upgrade fee without the need to purchase new hearing aids.

SLEEK DESIGN.
massive confidence
